Flip Orley *has been seen on* ***"Entertainment Tonight," "The Today Show," "Comic Strip Live," the "Ricki Lake Show," Maury Povich" and "Space Ghost Coast To Coast."*** *It is his uncanny way with subjects, his finely tuned power of suggestion and rapid-fire delivery that keeps audiences coming back for more. Unlike past generations of hypnotists, Orley does not humiliate his subjects for comic effect, but entertains by enlightening his audiences...often with lasting beneficial effects on those who have been inducted. After making them forget their own names, having them regress to age 5, or pledge undying love to complete strangers in a highly original version of "The Newlywed Game." Flip's subjects often awaken from their hypnotic trance reporting less stress, sleep better, have more energy, and a renewed libido!*
